

Keep in mind that May is high season for hotels in the area. It is in the height of conference season and just heading into graduation season. We encourage you to reserve your space early.

We listed here several options close to campus and in the wider Berkeley area. You might also consider staying in San Francisco (downtown, or anywhere close to BART subway) or Oakland (downtown, Telegraph Avenue). The whole area has a well developed mass transportation (bus and BART subway), but make sure that your hotel has a good connection to downtown Berkeley or Telegraph Ave./Bancroft Way.
